

ARTICULATION AGREEMENT

BETWEEN

WAUBONSEE COMMUNITY COLLEGE

AND

THE UNIVERSITY OF CENTRAL MISSOURI

FOR

Associate of Applied Science in Computer Aided Design and Drafting

TO

UCM's Bachelor of Science in Design and Drafting Technology

This articulation agreement (agreement) is made and entered into by and between Waubonsee Community College and the University of Central Missouri. By this agreement, Waubonsee Community College and the University of Central Missouri express their mutual commitment to increasing opportunities for student access and success in higher education. As set forth below, this agreement will allow for seamless transfer of students from Waubonsee Community College to the University of Central Missouri (UCM) in the Associate of Applied Science in Computer Aided Design and Drafting program to UCM's Bachelor of Science in Design and Drafting Technology program (the programs also referred to herein as the programs of study”).

This agreement sets forth the conditions for such seamless transfer as specified in the attached programs of study (Attachment A). Students who successfully complete the stated curriculum at Waubonsee Community College will be assured that the University of Central Missouri will accept these credits and will apply such to the Bachelor of Science in Design and Drafting Technology degree program, provided, however, students meet all University of Central Missouri admission criteria. Admission will otherwise be limited to program availability and openings. Program guides and requirements will be reviewed annually, or as appropriate and program guides and requirements may be added or removed at the sole discretion of the University of Central Missouri.
