UCM has begun accepting Indian three-year degrees for graduate studies again, so long as your three-year degree meets the following criteria:

The institution must be accredited by the University Grants Commission.

The institution must be NAAC accredited with a grade of A or higher.

The student must have graduated in 1st class/1st division.

If your transcripts do not state the NAAC accreditation and grade or mention the class or division you graduated in, we will require that a letter from your school be sent directly to us (intladmit@ucmo.edu) providing those details. If this is not possible, we will require an outside evaluation of your transcripts from one of our approved evaluators stating that your degree is equivalent to a U.S. Bachelor's degree.

Please provide all individual marksheets and either a provisional certificate or an original degree. If you are in your last semester or year, we must have marksheets through at least your 6th semester (or 7th if available).

Transcripts are required from any college or university you have attended or are now attending - even if you do not want transfer credit.

- o 2 Ç Ç Ç

Class 12 or Standard XII Board Examination Results as issued by the Examination Board.

Transcripts are required from any college or university you have attended or are now attending - even if you do not want transfer credit.
