

UCM provides a convenient online process
DualEnroll.com Here's how to register

First Time Students - Create an Account

You can register by computer or right on your smart phone by entering <https://ucmodularenroll.com> and clicking on CREATE MY ACCOUNT.

Complete the New Student Registration form to create your account. Provide all information including a login name and password. You must provide either an email account or cell phone number to create the account.

Your account is now ready for use, and you can begin registering for courses.

Parent Consent

Parents do not have accounts that allow them to log into the system; only students can log directly into DualEnroll.com. **Once your student initiates the registration process, you will receive ongoing email and/or text notifications. The notifications will either provide you with an update on the status OR request consent to register for a given term.**

Note: Sometimes email notifications are delivered to your JUNK or SPAM folder – check these folders for the notifications.

Notification for consent will include an active link to access the online form. Simply click on the link to access the online consent form.

Provide your electronic signature by entering your first and last name in the box provided. This signifies that you accept responsibility for all tuition fees, and fines that may be incurred related to your student's enrollment at UCM.

Click COMPLETE SIEP and you are done!
